## Architect / Director

BSc (Hons), DipL Arch, ARB

---

### Biography

Martin joined Threesixty in 2016 and heads up our Perth office overseeing Threesixty Architecture's strategic direction across the north-east of Scotland. Martin has over 25 years of experience as an Architect after early years in private sector where he gained a very broad grounding of Commercial Architecture.

In 2008 Martin became Managing Director of Keppie completing two four year terms. In 2016 he sought a new challenge and joined Threesixty after being very impressed with their philosophy and approach to the profession.

Over 25 years Martin has managed projects across Commercial, Leisure Education, and Housing sectors with values from £250k to £130million.
